**Commercial Insurance Carriers:** We bill insurance carriers for you if the proper paperwork is provided to us. Please complete the Patient Information Sheet provided to you. You are required to present a valid insurance card at the time of service. If your insurance has changed it is your responsibility to inform your provider and present a new insurance card.

**Worker's Compensation:** If your visit is work-related we will need the date of injury, case number, carrier name, address and phone number, adjustor and attorney information, in order to bill your worker's compensation insurance company.

**Medicaid:** The State of Illinois only allows patients to see doctors in the state supported facility unless they are willing to pay out of pocket for their sessions. Please let your provider know if you have Medicaid and ask them to fill out the Medicaid form for your visits.

**Assignment of Insurance Benefit:** In Consideration of services rendered by Psychology Specialists, I hereby assign, transfer and set over to Psychology Specialists all of my rights, title and interest to healthcare reimbursement. In the event that payment is received from more than one source causing overpayment for this period of service, I authorize application for the overpayment to any unpaid pain management bill for which I am responsible. I further agree to pay the account in full within 30 days from the date of billing unless satisfactory arrangements are made with the Office Manager of Psychology Specialists. Should the account be referred to any attorney or collection agency for collection, I agree to pay the agency fee or the attorney fee of thirty-three percent of the balance referred.

I hereby authorize Psychology Specialists to release to any insurance carrier coded diagnostic and procedural information necessary for the completion of my claim for payment purposes, as each entity has a separate billing department. I authorize Psychology Specialists to discuss details of my treatment with my insurance carrier and/or designated review agent. This assignment shall be valid for all future treatments related to this healthcare condition.

**Attendance and Cancellation Policy:** In order for Psychology Specialists to provide timely service to all patients, we have implemented the following attendance and cancellation policy.

Effective May 1, 2008, a \$50.00 fee will be assessed to any patient who fails to give timely cancellation of their appointment. A \$50.00 fee will be assessed to any patient who cancels an appointment with less than 24-hour notification. These fees cannot be billed to your insurance and will be billed to you directly.

Thank you for your understanding and assistance.

**Methods of Payment:** Credit Card, Cash, Personal Checks and Money Orders. There will be a \$25 NSF charge for any returned checks.

The patient/guarantor is ultimately responsible for all fees for services. I have read, understood and agreed to the above financial policy for payments of professional fees.
